

Attachment E:

Price and Cost template

E.1 Solicitation 1600000050- career-readiness assessments and assessment-based, Attachment A: Exhibit 1 – Specifications, shall be factored in Supplier response. Price and Cost, will be a factor in the evaluation process.

E.2. Attached price and cost shall reflect that the test shall be administered at facilities as determined by the educational entity offering the examination and administered by persons chosen by the educational entity offering the examination. Grading of the examinations and issuance of the certifications as earned by the test taker shall be performed by the Vendor. Furthermore, any costs of implementation or administration on the part of the vendor must be included in the prices as stated below.

E.3. To assist with the anticipated evaluation process, please submit price and cost in the below format, for easy evaluation team comparison. Supplier is encouraged to explain price and cost in more detailed separately. If the responding Supplier chooses to explain cost in more detail, please label as “Supplier Detail of Price and Cost”.
